Kingz, kingz  
Nigga I risked everythang to be a underground kingz  
Underground kingz  
I sacrificed everythang to be a underground kingz

Kingz  
Nigga I risked everythang to be a underground kingz  
Underground kingz  
And nigga I'll kill everythang to stay a underground  
kingz

Honor respect, valor and nuts  
You best to come with all fo', when you come up  
against us  
You can scream, yell, cuss, catch a bit of throw tantrum  
It don't matter, 'cause a victory you gon' hand 'em

No Phantom, slabs and 4's  
Money pimps coming through, so nigga grab your hoes  
Trying to sip some'ing too, so nigga pass the purp'  
We 'bout to beat your avenue, getting cash and work

It's been a long time, long grind long mash  
Now it's long shine, long pine long cash  
Tapping ash, out the Cadillac window  
While I'm tapping ass, leaning back smoking some  
endo

Ain't no need to pretend hoe, you know what the real  
You know who the truth, when they in the booth you  
know who the trill  
So fuck how you feel, we make you pay by the pound  
Recognize when you fucking around, with that  
underground

Kingz, kingz  
Nigga I risked everythang to be a underground kingz  
Underground kingz  
I sacrificed everythang to be a underground kingz

Kingz  
Nigga I risked everythang to be a underground kingz

Underground kingz  
And nigga I'll kill everythang to stay a underground  
kingz

It was 1984, I heard Run rapping 'bout  
Larry Laugh Caddy, wanting to break a bitch cot  
22 years later and the block belong to me  
Underground Kingz for life, young Pimp C

Put my first record out, at the age of 16  
Rapping 'bout moving work, candy painted symphony  
We was the first niggaz, talking 'bout wood wheel  
Made up the word, that's why I'm so trill

Now everybody, wanna bite my swagger  
Roll like a stone, like my name Mick Jagger  
Say it befo', had to tell you hoes again  
Run a drum machine, like my name Roger Men

Write the rhyme do the beat, the hook and the mix  
Records don't sell, I'm back to selling bricks  
I went gold, but never sold my soul to bang  
And bitch I'll hit you with that thang, I'm a underground  
kingz

Kingz, kingz  
Nigga I risked everythang to be a underground kingz  
Underground kingz  
I sacrificed everythang to be a underground kingz

Kingz  
Nigga I risked everythang to be a underground kingz  
Underground kingz  
And nigga I'll kill everythang to stay a underground  
kingz

Cross the line, nigga push my button  
And you gon' die in the very spot, that you thought you  
wasn't  
And you gon' look in the eyes of the man  
You thought you were better than  
T R I double L, that's with capital letters man

The Pimp and the Bun, Bobby U.N. and J.R.  
Big Dick Cheney, and Tony Snow you know who they  
are  
We the best than the rest, getting head for the showers  
Fucking cowards get out the way, 'cause the rap  
game's ours

Y'all niggaz, better reco'

That you ain't gotta like me, but you gon' respect me  
hoe  
17 years, I been rapping with that Bun  
Fuck the fame want the change, it's been fun

The up's and the down's, the crying and the smiling  
Fuck what you heard, UGK is a island  
Away from you niggaz, but we still solid land  
Sharks swimming in the water, put your nuts in the  
sand pussy nigga

Kingz, kingz  
Nigga I risked everythang to be a underground kingz  
Underground kingz  
I sacrificed everythang to be a underground kingz

Kingz  
Nigga I risked everythang to be a underground kingz  
Underground kingz  
And nigga I'll kill everythang to stay a underground  
kingz
