Still Have You by Midnight Panic

I lay here awake, going over mistakes.  
The pressure is mounting, there's so much at stake.  
The kids need new clothes, and the rent's overdue...  
But I still have you.

We all fall down, nothing in life is the way that we  
planned.  
And it makes us strong.  
Can you imagine the distance between?  
Can you imagine the love that we need inside?

I can't believe what I'm hearing today.  
The boss let me go, it must be a mistake.  
How are we going to pay for the house,  
When the bank finds out?  
We're overdrawn; I don't know what to do.  
Praying for help, I don't want to hurt you.  
We'll stay with our friends for a week maybe two.  
But I still have you.

We all fall down, nothing in life is the way that we  
planned.  
And it makes us strong.  
Can you imagine the distance between?  
We all fall down, nothing in life is the way that we  
planned.  
And it makes us strong.  
Can you imagine the distance between?  
Can you imagine the love that we need inside?

We all fall down, nothing in life is the way that we  
planned.  
And it makes us strong.  
Can you imagine the distance between?  
We all fall down, nothing in life is the way that we  
planned.  
And it makes us strong.  
Can you imagine the distance between?  
Can you imagine the love that we need inside? (Inside)  
Inside (inside)

Inside (inside)  
InsideÂ...
