Well, you know, I didn't mean to look your way,  
But you knew why I was there - to know who's in your  
hair

Unless you want to, don't answer  
Don't tell me what I want, hold on - hold on

Under the disco ball the scene is on  
And you like the way I roll - your best friend told me so  
Unless you want to, don't kill her  
Before you go too far, hold on...

It wasn't like she meant you harm, but I wouldn't give in  
I had to twist her arm for a synonym - oo yeah

Well, I asked the DJ for a Footloose song  
He played "Almost Paradise," I felt you melt like ice...

Onto my armour, onto my armour  
Until my skin was cold and prickly from your fire  
And if we make this song last until ALL SKATE,  
Forever rolls along at any rate - oo yeah

My mom and dad say since it's a Friday  
I can stay out until 1:00  
Cuz I'm a good kid!  
And you know, I wanted to know if you would come...

Unless you want to, don't answer  
Before you get alarmed, hold on...  
At least before your skates come off, tell me one more  
thing -  
Do you want to roll around with me around this rink?  
If you refused my arm, it wouldn't do me harm  
Just say 'hi' to me on Monday
