I'm left in misery, a girls love gone across the sea  
I'm all alone, aint got no home  
Mandy was her name, sleeping was her game  
She didn't care about me, oh god can't you see

REF

I'm a lonely boy - I'm a lonely boy  
I'm a lonely boy - I'm a lonely boy

I need her tender touch. Oh I need it so much  
I can't forget, oh I'm so upset  
I wonder were she's gone, I wonder where she went  
wrong  
I wanna get her back to me. But I think she's tired of me

Every time I think of her  
It brings back memories  
I remember how it used to be  
Oh baby can't you see  
Oh baby come on, come back to me

Oh my darling, can't you see  
The you'r the one that means so much to me  
I know I need you'r tender touch  
What a crutch, I can't wait to f\*\*k it
