Visit "[My Love](#)" on MotoLyrics.com

I will stay by your side, now and forever
I will always only be in love with you

Is it true when you say that you love me
And is it true, that I'm the one

In the days, we walk together
In the nights I think of you

Is it true when you say that you love me
And is it true, that I'm the one

I will phone your mother and ask her
If I can marry you

I will stay by your side, now and forever
I will always only be in love with you.

Is it true when you say that you love me
And is it true, that I'm the one
