As I walk alone, I wonder
What went wrong with our love,
Our love that was so strong
And as I still walk on I think of
The things we've done together,
While our hearts were young

I'm walking in the rain
Tears are falling and I feel a pain
Wishing you were here by me
To end this misery

And I wonder
I wo-wo-wo wonder
Why?
Why-why-why-why,
She run away
And I wonder
Where she will stay
My little runaway
My run-run-run-run runaway,

As I walk alone, I wonder
What went wrong with our love,
Our love that was so strong
And as I still walk on I think of
The things we've done together,
While our hearts were young

I'm walking in the rain
Tears are falling and I feel a pain
Wishing you were here by me
To end this misery

And I wonder
I wo-wo-wo-wo wonder
Why?
Why-why-why-why,
She run away
And I wonder
Where she will stay
My little runaway

My run-run-run-run runaway
Run-run-run-run runaway.
