Drop the vibe (repeated)

Music, Music

(Chorus)

Aah-aah-ah

Take me higher, begging for more

Aah-aah-ah

Peace and joy, can't stop begging for more

Let the music just, take control, 'coz it

Rocks my body and it soothes my soul

To a place of happiness, peace and joy

And my feet start dancing, begging for more

Dance no more - ho

Drop the vibe, drop the vibe

Music, Music

Back for more, drop the vibe

I'm back for more, drop the vibe (x2)

I'm back for more to equal as a score

You really want a bass, so now me get raw

Beat the pain with the pills you swallow

Acid is death itself and it follows

You everywhere you go killing fast or slow

You gotta mike (here we go)

You everywhere you go killing fast or slow

You gotta mike (here we go)

State of mind 'coz I'm a bring the funk

'Coz I'm a bring the funk that'll blow ya mind

State of mind 'coz I'm a bring the funk

'Coz I'm a bring the funk that'll blow ya mind

Drop the vibe y'all, so now me get raw

(Chorus)

Music, drop the vibe

Ain't no time to waste, we gotta motivate  
Past anybody that stops to get gas  
Forever and a day my destiny's set  
No sweat I make it rougher than rough gets  
Hold on tight and not get blown away  
Pick up the pieces, 'coz we're known to say  
Radical things to get a champions ring  
Give it up punk don't make me swing  
We planned ahead to get the butter and the bread  
Dressed in black and I'm staying out the red  
So when it comes to like taking charge  
Give props the way they do it stop fronting on charge

Drop the vibe, drop the vibe, I'm back  
Drop the vibe (here we go)

I'm back, drop the vibe, drop the vibe  
Pick up the pieces, so now me get raw (x3)

Music, Music

(Chorus repeat to end)
