I was all alone  
I was feeling rather low  
I needed someone to  
Lift my spirits up

So I dropped it on a dance  
Just to take a glance  
And there this sweet, lovely thing was  
She was more than enough

I asked her for her hand  
Said, "Would you like to dance?"  
So pleased that I had asked  
She quickly took my hand  
And we danced and fell in love  
On a slow jam

Play another slow jam  
This time make it sweet  
On a slow jam for my baby and for me  
Play another slow jam  
This time make it sweet  
On a slow jam

Seems what you say is true  
I feel the same way too  
See I waited all night long  
Just to dance with you

And when you touched my hand  
I knew you were the man  
To turn my world around  
And make my dreams come true

The magic in your eyes made me realize  
That everything I feel has got to be real  
And we danced and fell in love  
On a slow jam

Play another slow jam  
This time make it sweet  
On a slow jam

Play another slow jam  
This time make it sweet  
On a slow jam

Play another slow jam  
This time make it sweet  
On a slow jam  
Play another slow jam  
This time make it sweet  
On a slow jam

Play another slow jam  
This time make it sweet  
On a slow jam  
Play another slow jam  
This time make it sweet  
On a slow jam
