[kool keith]

Ahhh... it's time to relax  
For all the people out there, it's time to take a break  
A little intermission  
Go urinate, get a little popcorn, stuff like that

[ced gee]

Ahh yeah, or get that quart of old gold  
Or a banana

[kool keith]

If you wanna jerk off or two  
Anything you know

[ced gee]

Or a cup of coffee  
Whatever turns you on, take that break  
Yeahhh...  
And right about now

[kool keith]

We're going back to the funk!
