[kool keith]

Yo don!

I got a white... mask

A black cape, two pair of silver gloves

And nobody know who i am

I will not take my mask off to reveal

Check it out but i'ma drop lyrics

You know what? hit it

Yo niggaz wanna get in the backdoor, but fuck it  
Rappers can't rap a lick, chompin on other dick  
I gotta do this for x, and make them brothers quit  
Don't try that sissy shit, that gettin busy shit  
I bang a nail up in your dooty hole and booty quick  
Rappers know me, i'm bugged, i chop your ass right  
Take that body and bag it, then i'm out of sight  
I got the f.b.i., not the f.o.i.  
Tryin to find the design, and ? went underline  
The pure facts on the stupid wicked wax  
People they know, i'm out the hospital  
Cold buggin and illin like dr. doolittle  
You better walk up the street, now look around black

See that man on the street, who's at the corner yea (8x)

Back to hell to the graveyard  
With fog on the street, you see the ghostrider  
homepiss  
I walk down on your block and see you sleepin  
Cold jump in your bed, and fuck you up, yea yea  
Down with the x, i'm at the basement  
Got the body and bag, up on the pavement  
Cement i went, just hid em in the vent  
I put the rappers upstairs and let em air out  
Before the cops came, i cleaned the blood up  
I called detectives in town and said yo whattup  
I wasn't home - somebody's in my house  
I took them rappers back out, up in a pickup truck  
Think i'd tell on myself?

See that man on the street, who's at the corner yea

(10x)

Yeah

I'm not gon' reveal myself

Still standing here with this black cape on

White gloves, these big silver boots

Ain't nobody notice how i fly, how high

So i'll see you on the next issue

Catch me at the forbidden planet
