Someone talkin' to my soul
Someone shakin' my knee bone
Someone ringing at my door
And I'm crawling on the floor
I got shivers on my own
I got quivers to the bone
It's contagious
Don't know why
Someone drank
My blood like a glass of wine

Got nowhere to hide
Inside your dirty mind
I wanna say no
But my heart keep sayin'
I want more

So I sing sing sing
I'm your prisoner
I'm your thing
I just sing sing sing
I got a ball and chain
And I learn how to swim

I wake up in the morning
My body's aching
I still have no memories
Of what we were doin'
You said the world is filled with crocodiles
You said we're surrounded by sharks
With your white horse
My prince of the darkness
I'm gonna fly away
I'm gonna fly away

Got nowhere to hide
Inside your dirty mind
I wanna say no
But my heart keep sayin'
I want more

So I sing sing sing

I'm your prisoner
I'm your thing
I just sing sing sing
I got a ball and chain
And I learn how to swim
Sing sing
