"Somewhere In Your Mind"

I watch you smiling
Watch you living from the outside
The touch of your hands
Relly takes me to heaven

REFRAIN:

I wonder if I keep existing
All the time somewhere in your mind.

I hear you laughing
Hear your voice in my sweetest dreams
Your smell bewitches me
You just make me feel alive

I wonder if I keep existing
All the time somewhere in your mind.

I see you dancing
See you moving like a mermaid
You brighten up my whole life
You, the greatest girl ever

'Cos you live somewhere deep inside in the beatings of
my heart
Words fail me to tell how much I love you

I hope you're loving
Hope you're enjoying this melody
I'd like to tell you
That I really need you
