Oh, no
Yeah, yeah, yeah, yo!

You and I, we're different thinkers
You're stuck in time, I'm a future boy
Don't tie me up for no good reason
Then rip me off
Then rip me off
Right down inside

[Chorus]
Who, who here to say this music dies
Who, who here to lose this paradise
I'm never gonna leave this paradise

Fill me up with a sweet illusion
Don't send me blind through a pack of wolves
Oh, Mr Man, did you think I'd return
To rip you off
Then rip you off
Right down inside

[Chorus]
Who, who here to say this music dies
Who, who here to lose this paradise
I'm never gonna leave this paradise

You're too late, Mr
I'm way too gone
I said you're too late, Mr, sorry
I'm way too gone
Way too gone

[Chorus]
Who, who here to say this music dies
I, I'm never gonna leave this paradise
Who, who here to say this music dies
I'm never gonna leave this paradise

Yeah, oh
Oh, oh, yeah
