[Verse 1]

She was bored  
With a grey and aimless mind  
She was born  
With a chance that she denied  
Oh, she caught my eye

Flew somewhere  
To a house every Friday night  
Working for her man  
Believing that her name would shine  
Oh, she caught my mind, yeah

[Chorus]

Everybody listen  
There's a riot in the air tonight  
And listen  
It's a tragedy you can't deny  
And listen  
She'll be calling out your name tonight  
And listen  
Everybody listen

[Verse 2]

She had fame  
Oh god, what she had won  
Look beneath the sheets  
In this bed's a fool for fun  
Oh, she caught my mind, oh

[Chorus]

Everybody listen  
There's a riot in the air tonight  
And listen  
It's a tragedy you can't deny  
And listen  
She'll be calling out your name tonight  
And listen  
Everybody listen

Everybody listen

There's a riot in the air tonight  
And listen  
It's a tragedy you can't deny  
And listen  
She'll be calling out your name tonight  
And listen  
Everybody listen

Everybody listen  
Everybody listen, oh  
And everybody listen now  
Just listen now, no  
Just listen now, no  
Everybody listen  
Everybody listen  
Oh, just listen  
Just listen
