[Verse 1]

This isn't what I had in mind when I let you in
This isn't what I had in mind when we talked
This isn't what I had in mind and this hotel room's been
cold
For hours and hours

[Chorus]

Oh, oh, oh
Well, are we just strangers these days
Oh, oh, oh
Cos nothing's stranger here
Oh, oh, oh
And nothing looks so very clear
It's just a dream I had
In my head

[Verse 2]

This isn't what I had in mind when I met you
This isn't what I had in mind at all, no
This isn't what I had in mind when we talked and let go
For hours and hours alone

[Chorus]

Oh, oh, oh
Well, are we just strangers these days
Oh, oh, oh
Cos nothing's stranger here
Oh, oh, oh
Well, nothing looks so very clear
It's just a dream I had
Well, it's a dream
It's just a dream I had

[Bridge]

Well, we could only shake hands
From across the while
And we were blind in a cold run well
We could only play fair
If you let me win
So take a look for the last time

For the last war

Oh, oh
Are we just strangers these days
Oh, ah

Nothing stranger here
Nothing stranger here
Nothing stranger here

[Outro]
It's a dream
It's just a dream I had
Well, it's a dream
It's just a dream I had
Well, it's a dream
It's just a dream I had
Well, it's a dream
It's just a dream I had
In my head
