[Verse 1]

I wanna young love, I wanna second sun
I want the blink of an eye back from burning
I need a new scar, I need a lucky last
I need a gift, get high on my birthday

Who said you're free

[Chorus]

We're just trying to live a good life, look at us (Who said)
We're just trying to live a good life, look at us (Who said)
Who said, who said you're free
To take this freedom away from me
Oh, who said you're free
Well, who said you're free

[Verse 2]

I wanna be sure, I need a final call
My Lord, love me like a waterfall
I wanna see dead, I wanna few regrets
I need a break, flying with a cigarette

Who said you're free

[Chorus]

We're just trying to live a good life, look at us (Who said)
We're just trying, trying to live a good life (Who said)
We're just trying to live a good life, look at us, look at us, yeah
Who said, who said you're free
To take this freedom away from me

Well, who said you're-
(Who said you're free)

[Chorus]

We're just trying to live a good life, look at us, yeah
(Who said)

We're just trying, trying to live a good life, yeah, yeah,
yeah (Who said)
We're just trying to live a good life, look at us, look at
us, yeah
Who said, who said you're free
To take this freedom away from me
Oh, who said you're free
Well, who said you're free

Who said you're free
