You took all the victory you never won
Then send your confession to far and beyond
You (?) with the (?) then pass the bar
Parade with your people
You did not earn it

[Chorus]

No, I won't stop breathing if you don't call
No, I won't stop breathing

Your eyes are aligned now with every star
When one flickers brighter, you buckle up
And then you send your ship past heaven
You send everything you own
To the world you're a princess
You did not earn it

[Chorus]

No, I won't stop breathing if you don't call
No, I won't stop breathing
No, I won't stop breathing even if you talk
No, I won't stop breathing, no

I told you, darlin', not to follow this road
Walk on, walk on
I told you, darlin', not to follow this road
Walk on, walk on
I told you, darlin', not to follow this road
Walk on, walk on
I told you, darlin', not to follow this road
Walk on, walk on (No, I won't stop)
I told you, darlin', not to follow this road (No, I won't
stop breathing)
Walk on, walk on (I won't stop)
I told you, darlin', not to follow this road
Walk on, walk on (I won't stop)
I told you, darlin', to not follow this road, well

[Chorus]

I won't stop breathing if you don't call
No, I won't stop breathing, no

Well, I won't stop breathing even if you talk
No, I won't stop breathing

If you don't call
No, I won't stop breathing, no, no
Well, I won't stop breathing even if you talk
No, I won't stop breathing
Won't stop breathing
