Work, work, work, wor,

I could be a banker make a buck or two  
I could even be at school  
Or I could drive a taxi  
I could drive a hearse  
There are few things could be worse

Cos I'm not getting younger  
Life's too good to work  
That is something I'm learning

Everybody wants to work  
No, no, not me  
Everybody wants to work  
No, no not me  
Everybody wants to work  
No, no, not me, not me.

Well I could sleep till lunchtime  
There's nothing else to do  
Perhaps I'm better off than you  
Cos when I'm getting older  
Life's too good to work  
I'll tell you something disturbing

Everybody wants to work  
No, no, not me  
Everybody wants to work  
Oh no, not me  
Everybody wants to work  
Ah, ah, not me, not me  
Everybody wants to work  
No, no, no, no, not me

Doctor, lawyer, banker, fool  
Doctor, lawyer, banker, fool  
Doctor, lawyer, banker, fool  
Doctor, lawyer, banker, fool  
Doctor, lawyer, banker, fool  
Doctor, lawyer, banker, fool

Everybody wants to work  
No, no, not me  
(Repeat)
