Album: No Stranger To Shame

Lookin' back on everything  
And all the things that stay  
I can count on memories  
Cuz they don't go away  
Good times were hard to hold  
Until she came along  
She moves me like a Memphis soul song

I'm not always there I know  
But she don't mind at all  
As pretty as a picture that hangs on my own wall  
She's like Mississippi

When the sun comes up at dawn  
She moves me like a Memphis soul song

With an angel on my lefty side and the devil on my  
right  
She's the one who saves me from them dark unholy  
nights  
Of all the ones who've left me it's a wonder she's not  
gone  
She moves me like a Memphis soul song  
She moves me like a Memphis soul song

She don't care what the game is  
She's always down to play  
My world without her seems a million miles away  
She don't have to worry  
I know where I belong  
She moves me like a Memphis soul song

I've been dealt some aces  
And I've played them all the same  
But she's the only one that keeps me in the game  
No fame or fortune could ever keep me gone  
She moves me like a Memphis soul song

With an angel on my lefty side and the devil on my

right  
She's the one who saves me from them dark unholy  
nights  
Of all the ones who've left me it's a wonder she's not  
gone  
She moves me like a Memphis soul song  
She moves me like a Memphis soul song

[BRIDGE]

There's a magic down in Memphis  
That never seems to fade  
Even now them voices carry  
Like a lonely serenade  
It's the memories that still and always will be on my  
mind  
They move me every time

She see's the good in everything there is to see  
Sometimes I wonder what she ever see's in me  
I'm not always right you know  
But she's never led me wrong  
She moves me like a Memphis soul song

In all my travels I've never found a way  
To find the words that say the things I'd like to say  
I've sang some melodies but she's my favorite one  
She moves me like a Memphis soul song  
With an angel on my lefty side and the devil on my  
right

She's the one who saves me from them dark unholy  
nights  
Of all the ones who've left me it's a wonder she's not  
gone  
She moves me like a Memphis soul song She moves  
me like a Memphis soul song
