I might walk a little funny but my walk is me
I might stutter when I talk but I say what I see
I don't agree with every other little thing that's proven
I do a lot of things that I shouldn't be doin'

I'll ruin everything you might have had in mind
I'm a consistent, belligerent, solidified find
Rhinestone freak, suburban star
I ain't got no money and I got no car

I might make par if it don't take much
See I don't ride very far 'cuz I ride on luck
I stay pretty stuck in a rut like I should
And I do it for the love of everything that's still good

I don't know why I come here but I know I'll never leave
It's the only place I wanna be, yeah, yeah, yeah
I don't know why I come here but I know I'll never leave
It's the only place I wanna be, yeah, yeah, yeah

I'm a long way gone but I ain't short lived
I got deep deep pockets that leak like a civ
I give 110 throughout the course of a night
And if I don't go home then I did things right

I'd like to settle down but I ain't that guy
'Cuz everything I ever did I always did on the fly
I like to ride the wave 'til the tide don't swell
I don't like cocaine but I like the smell

I dwell in the place you might see unfit
But there ain't nothing you can every say to make me
give a shit
I stay pretty stuck in a rut like I should
And do it for the love of everything that's still good

I don't know why I come here but I know I'll never leave
It's the only place I wanna be, yeah, yeah, yeah
I don't know why I come here but I know I'll never leave
It's the only place I wanna be, yeah, yeah, yeah

I'd like to say that I don't do them bars

But my street called straight don't stretch too far
I'm on the move goin' nowhere fast
And you can tell the whole world they can kiss my ass

I'll take a pass be the last in line
And if it takes 10 years then I'm a be just fine
I saw the signs in the grass ain't green
I found love at the bottom of a bottle of beam

See comin' clean just seemed so jaded
And bein' underrated is underrated but I don't hate it
I stay stuck in a rut like I should
You know I do it for the love of everything that's still
good

I don't know why I come here but I know I'll never leave
It's the only place I wanna be, yeah, yeah, yeah
I don't know why I come here but I know I'll never leave
It's the only place I wanna be, yeah, yeah, yeah

I don't know why I come here but I know I'll never leave
I don't know why I come here but I know I'll never leave
I don't know why I come here but I know I'll never leave
It's the only place I wanna be, yeah, yeah, yeah
It's the only place I wanna be, yeah, yeah, yeah
