### "Good To Be Me"

Nobody blowin' up my phone  
I ain't buzzin' and I ain't stoned  
But I'm ridin', flyin' higher than the blue sky

If you don't like me, brother, that's okay  
I ain't gonna let it wreck my day  
I keep stylin', smilin', handin' out the sunshine

I got no good reason why

Damn, it feels good to be me  
Seats laid back in my Cutlass Supreme  
I'll be alright  
Rollin' these streets all summer long

Damn, I got it all figured out  
I got no worries that I'm worried about  
It's like I caught some crazy, happy disease  
Damn, it feels good to be me

Bought some cheap shades at the Amoco Station  
They make me feel like I'm on vacation  
On my own island, motor city paradise

Ain't it funny how time flies?

Damn, it feels good to be me  
T-Top's down in my Cutlass Supreme  
I'll be alright  
Rollin' these streets all summer long

Damn, I got it all figured out  
I got no worries that I'm worried about  
It's like I caught some crazy, happy disease  
Damn, it feels good to be me

Got no particular place to go  
My Alpine's pumpin' some Motown soul  
Rockin' to a Papa Was A Rollin' Stone

Damn, it feels good to be me  
Fresh pair of kicks and my old blue jeans  
I'll be alright  
Rollin' these streets all summer long

Damn, I got it all figured out  
I got no worries that I'm worried about  
It's like I caught some Coltrane Love Supreme  
Damn, it feels good to be me

(Coltrane Love Supreme)  
It feels so good  
(Coltrane Love Supreme)  
It feels so good  
(Coltrane Love Supreme)  
Damn, it feels good
