Lookin' back on everything
And all the things that stay
I can count on memories
Cuz they don't go away
Good times were hard to hold
Until she came along
She moves me like a Memphis soul song

I'm not always there I know
But she don't mind at all
As pretty as a picture that hangs on my own wall
She's like Mississippi

When the sun comes up at dawn
She moves me like a Memphis soul song

With an angel on my lefty side and the devil on my
right
She's the one who saves me from them dark unholy
nights
Of all the ones who've left me it's a wonder she's not
gone
She moves me like a Memphis soul song
She moves me like a Memphis soul song

She don't care what the game is
She's always down to play
My world without her seems a million miles away
She don't have to worry
I know where I belong
She moves me like a Memphis soul song

I've been dealt some aces
And I've played them all the same
But she's the only one that keeps me in the game
No fame or fortune could ever keep me gone
She moves me like a Memphis soul song

With an angel on my lefty side and the devil on my
right
She's the one who saves me from them dark unholy
nights

Of all the ones who've left me it's a wonder she's not
gone
She moves me like a Memphis soul song
She moves me like a Memphis soul song

[BRIDGE]

There's a magic down in Memphis
That never seems to fade
Even now their voices carry
Like a lonely serenade
It's the memories that still and always will be on my
mind
They move me every time

She sees the good in everything there is to see
Sometimes I wonder what she ever sees in me
I'm not always right you know
But she's never led me wrong
She moves me like a Memphis soul song

In all my travels I've never found a way
To find the words that say the things I'd like to say
I've sang some melodies but she's my favorite one
She moves me like a Memphis soul song
With an angel on my lefty side and the devil on my
right

She's the one who saves me from them dark unholy
nights
Of all the ones who've left me it's a wonder she's not
gone
She moves me like a Memphis soul song
She moves me like a Memphis soul song
