You're better than the best  
I'm lucky just to linger in your light  
Cooler than the flip side  
Of my pillow, that's right

Completely unaware  
Nothing can compare to where  
You send me, lets me know that it's okay  
Yeah, it's okay  
And the moments where my good times start to fade

You make me smile like the sun, fall out of bed  
Sing like bird, dizzy in my head  
Spin like a record, crazy on a Sunday night

You make me dance like a fool, forget how to breathe  
Shine like gold, buzz like a bee  
Just the thought of you can drive me wild  
Oh, you make me smile

Even when you're gone,  
Somehow you come along just like  
A flower pokin' through the sidewalk crack  
And just like that  
You steal away the rain, and just like that

You make me smile like the sun, fall out of bed  
Sing like bird, dizzy in my head

Spin like a record, crazy on a Sunday night

You make me dance like a fool, forget how to breathe  
Shine like gold, buzz like a bee  
Just the thought of you can drive me wild  
Oh, you make me smile

Don't know how I lived without you  
'Cause every time that I get around you  
I see the best of me inside your eyes  
You make me smile

You make me dance like a fool, forget how to breathe

Shine like gold, buzz like a bee  
Just the thought of you can drive me wild

You make me smile like the sun, fall out of bed  
Sing like bird, dizzy in my head  
Spin like a record, crazy on a Sunday night

You make me dance like a fool, forget how to breathe  
Shine like gold, buzz like a bee  
Just the thought of you can drive me wild  
Oh, you make me smile  
(Oh, you make me smile)  
Oh, you make me smile  
(Oh, you make me smile)  
Oh, you make me smile
