Lyrics by Dan Colon  
X-Factor Theme

Yo you dealin' with the X-Factor!

I got everything I ever wanted,  
And I'll never give that back.  
Well, I know you hate X-Factor, but you ain't gotta look  
at me like that,  
I said you ain't gotta look at me like that.

What you lookin' at?  
What you lookin' at?  
What you lookin' at?  
What you lookin' at?

You wanna rhyme pullin' stunts like that,  
See never in my life could I front like that,  
I ain't cut like that, I couldnt' run like that,  
I'ma keep it non-fiction and take my hat,  
Uhhh, Remember back when things looked grim,  
I spent a lot of money and time on whimps,  
I remember the crew, Remember the good times,  
Remember the orange and I'll remember the sunshine,  
It's all gone that's the thing of the past,  
The fact remains that it moves real fast,  
So while you sit around and hope things won't change,  
I'll be sittin' pretty singing Hey Pac Wait!

I gotta' tell you baby, Life's been good to me,  
And I know that makes you mad 'cause that's  
something you can't see.

I got everything I ever wanted,  
And I'll never give that back.  
Well, I know you hate X-Factor, but you ain't gotta look  
at me like that,  
I said you ain't gotta look at me like that.

What you lookin' at?  
What you lookin' at?  
What you lookin' at?
