Yo Ya Dealing With The X-Factor

I've got everything i ever wanted and im going to get
that back

Oh! i know you hate X-Factor but you dont have to look
at me like that

I say you aint have to look at me like that

What you lookin at

What you lookin at

What you lookin at

What you lookin at

You run arround pulling stunts like that

You can never run my life like a punk like that

I aint caught like that

I couldn't run like that

im keeping that bitch whos gonna take my hat

Oh im knockin on your back when the day looks glim

(Your Deeling with the X-Factor)

I spend a lot of money with the time walk whimps

I remebered the cruel

Remembered the Good times

Remember the Urge and remember the Sunshine

Its all going as a thing of the past

The The fact remains that it goes real fast

So while you sit around when things dont change

I can sit here and Sing 'Hey Rocky Wait'

Ive got a cousin baby who like being good to me

And i know it makes you mad because you cant see

Ive got everything i ever wanted and im gonna get it
back

Yo i know you hate X-Factor but you dont have to look at
me like that

I say you aint gotta look at me like that, or that

What ya lookin at

What ya lookin at

What ya lookin at

What ya lookin at
