Haare, Haare, Haare

I've been wastin' all my time
And I've been drinkin' all that wine
And I've been drinkin' all that beer
And I've been sheddin' all these tears
I can't go and you can't stay
You're not gonna take me out that way

Because you can't take me
I said, "You can't take me"
No, you can't take me anywhere
I don't wanna go
(Haare, haare)

I've been down this road before
And I just cannot care no more
I can't see, what you can see
I'm too busy bein' me
See, I can't go and you can't stay
You're not gonna take me out that way

Because you can't take me
I said, "You can't take me"
No, you can't take me anywhere
I don't wanna go

(Haare)
I don't need to save no face
And I can't wait to leave this place
I've been fooled by lesser things
And I don't care what tomorrow brings
See, I can't go and you can't stay
You're not gonna take me out that way

Because you can't take me
I said, "You can't take me"
No, you can't take me anywhere
I don't wanna go
No, you can't take me anywhere
I don't wanna go
