Rock Paper Scissors

You're just a junk yard of emotions
I got the notion to throw you out
And move on

I'm in a funk, I'm so confused
Am I being used? I still have my doubts...
Shall I stay...or go...?

Well, should I stay or go?
Shall I stay or go?
Shall I stay or go?
Oh, rock, paper, scissors
Is gonna tell me so

I've got your world in my hand
A split decision puts you outside
With just a flick of my wrist
Should I stay...or go...?

Well, should I stay or go?
Shall I stay or go?
Shall I stay or go?

Oh, rock, paper, scissors
Is gonna tell me so

(Rock, paper...rock, paper, scissors)

Down to the wire you stupid liar
You'd think it would be simple to brush you out of the
way

Well, should I stay or go?
Well, should I stay or go?
Well, should I stay or go?

Well, should I stay or go?
Well, should I stay or go?
Well, should I stay or go?
Well, should I stay or go?

Oh, rock, paper, scissors
Is gonna tell me so

Oh, should I stay or go?
