Visit "[Extinct Family](#)" on MotoLyrics.com

Say lovely lady, can you help a gentleman safely cross
the street?

Escort him home at night, treat him to dinner by
romantic candlelight

Emancipation reigns supreme

She wears the trousers, skirts are rarely seen

Emancipation reigns supreme

Its just a matter of time for men to become extinct
finally

Say, what's for dinner honey?

No, he will never say those words again

Be quiet when she gets home

In this feminine system you'd better leave her alone

Emancipation reigns supreme

She wears the trousers, skirts are rarely seen

Emancipation reigns supreme

Its just a matter of time for men to become extinct
finally

Men extinct finally, gone

She wears the trousers, Kate Bush for president
