Shes most likely to be the most beautiful woman in high school

Anyone can see that she is ready to point out the victim  
Could it be me chosen to be an example?

My biology teacher, she likes a lot of practical science

Christina and Britney, you girls turn me on

Jennifer, Claudia and Cindy, put your wet shirts on

You all are invited to my party, well party all night long

May I sniff at your panties while we execute my wildest dreams?

I fantasize when Im with you

About the other side of the sweet loving you

Spanking my butt with the sole of your shoe

You leave traces of lipstick on my dick

Still my biggest fantasy is you and me

And you and me, and you and me
