I'd Give My Life
To Have You Here With Me
Your A Thousand Miles Away
And My Bed Is Oh So Cold
Where Did You Go
Your To Far Away From Me
What Have I Done
I've Said I Am Sorry
Forgive Me
This Is More Than An Apology
I Take It Back Everything I Said

Tonight, Tonight
Is One Of Apologies
And The Bed Looks Ever so Inviting
With The Heat Turned Down Low
I Just Want You To Know
I Just Want You To Know
I Love You

I'll Scream These Words
Untill My Lungs Are Empty
And I'd Bleed For You
Untill It's All Drained From Me
Whatever It Takes For Me To
Keep You Happy
I Pray That This Will Keep You Home

Don't Leave Me Here
We'll Saty Untill The Fire Burns Out Our Hearts

Don't Leave Me Here
We'll Saty Untill The Fire Burns Out Our Hearts

Tonight, Tonight
Is One Of Apologies
And The Bed Looks Ever so Inviting
With The Heat Turned Down Low
I Just Want You To Know
I Just Want You To Know
I Love You

Don't Leave Me Here
We'll Saty Untill The Fire Burns Out Our Hearts

Tonight, Tonight
Is One Of Apologies
And The Bed Looks Ever so Inviting
With The Heat Turned Down Low
I Just Want You To Know
I Just Want You To Know
I Love You
