

Undercast "Paving Lanes"

Visit "[Paving Lanes](#)" on MotoLyrics.com

Sealed shut and we seed the way
It's not enough to hold us in
Re-bars are just materials
Our souls will never sleep

I've seen enough, I paved the lanes,
It's primitive to hold a task
The light's enough for eager eyes to see
Not enough to hold us in

Keep it on your way
Keep Saving Grace
Let me know how this will feel in the end
Just hold your breath

Keep it on your way
Keep Paving Lanes
Let me know how this will feel in the end

Keep it on your way
Keep Saving Grace
Let me know how this will feel in the end
Hold your breath, hold your breath
