Lessons taught to the one who prepares, it's analytical
and desperate.

To pass this fixation, it never comforts the unsuspected
martyr.

Depreciated and swept aside, he's your falter, just
kicked aside.

The less is gifted to the one's who want it.
We treat this instance and the one's who fall in this
periodical engagement.

Aggravated and repulsive you carry the knot.
With nerves so restless beyond all thought.
You levitate forgiveness to bury us all down.

Belligerent in torment, he's your pacifier and no solace
grows.

The less is gifted to the one's who want it.
We treat this instance and the one's who fall in this
periodical engagement.
He'll falter, She'll falter, We'll falter cause I falter...

The less is gifted to the one's who want it.
We treat this instance and the one's who fall in this
periodical engagement.
... In this periodical engagement
