The prize is worth everything
And it gains a lot of nothing.
Repent, rebuild and create,
Just to reck it all again.
Now break this all to nothing,
And fuck it up for me.
I pressed myself this time,
And you pulled it all away.

Enter hate, exit life,
Enough's enough.
I ruin all my insides

You're the death of everything,
Creator of this sin,
A preacher, a masochist,
You're fucking everything I hate.
And I'm living in memories,
And you're living within.
I better get myself a new test.
I better help myself.

Enter hate, exit life,
Enough's enough.
I ruin all my insides

Enter hate, exit life,
Enough's enough.
I ruin all my insides
