Held captive, I'm a prisoner
In the back room where the water leaks
And I'm, oh, so cold

Command me on what to do
But we both know
Neither you or I are in control

There's nothing left for me here
I'm grabbing on to what's left of this hole
It's all too real, this can't be happening

Never again, ever again, will I say I'm okay
I'm scared of the fate that will become mine
Become mine

No time to talk
No time to talk
You know the drill

Under my desk, this can't be it
I'm only dreaming
(I've got to be dreaming)

But I can't get up
No time to talk, not this time
(This is my place)
This is where I arrange

Under my desk, this can't be it
I'm only dreaming
(I've got to be dreaming)

But I can't get up
No time to talk, not this time
(This is my place)
This is where I arrange

It's so funny how we see things so clear
When we have no time left to live

So, lay back now

And take it in
I won't say a word
I won't say anything

So, lay back now
And take it in
And I won't say anything

I can't believe how it feels
To stand here in this room
And feel like it's gonna blow
I think we're all gonna blow

Under my desk, this can't be it
I'm only dreaming
(I've got to be dreaming)

But I can't get up
No time to talk, not this time
(This is my place)
This is where I arrange

Well, I've got to be dreaming
(I've got to be dreaming)
We've got to be dreaming
(We've got to be dreaming)
(We've gotta go)

I've got to be dreaming
(I've got to be dreaming)
We've got to be dreaming
Please, don't wake me up
This is the end

This is the end
This is the end
