At the end of it all
We will be sold for parts, sold for parts
We will try to rebuild
But we ate it all away, all away

All ambitions now run dry
Someone stop this thing, turn it off
In search of new life
Nothing will be left to walk the earth again

Turn it off
Turn it off
Turn it off

Our hopes and dreams will be swallowed alive
Our hopes and dreams will be swallowed alive
We always said it wouldn't end up like this
Our hopes and dreams will be swallowed alive

We will be the new ice age
We will be the new plague, the new plague
Disguised as a colony
We will wipe them all away
Will wipe them all away

Feast your eyes or just rip 'em out
This is it for us, it's time to panic
Feast your eyes or just rip 'em out
This is it for us, it's time to panic

We always said it wouldn't end
We always said it wouldn't end
We always said it wouldn't end
We always said it wouldn't end

We always said it wouldn't end
(It wouldn't end up, it wouldn't end up like this)
We always said it wouldn't end
(It wouldn't end up, it wouldn't end up like this)

We are the cancer, we are the virus
We are the cancer, we are the virus

Tell me it's not too late
Tell me it's not too late
