This door has been shut for days  
And it's all too familiar  
Can't I just crack a window  
Can't I just shake it off?

I'm sure I've tasted this before

Everything is out of reach  
And I just want to see outside  
The air has been getting thin

I feel like cutting it open tonight  
And falling on the floor

There's nothing left unused in here  
There's nothing left to say

I haven't talked in days  
and I'm really not too sure  
What I sound like anymore  
My vision has gone and my mouth is full of sores

I feel like dripping it dry tonight  
Over and over again  
It's time to open up the door
