Take off your make up honey
I know what you've been missing
And I've got a card to send you home
It says: Try to forget those good times
Maybe you never were mine
How has this pain helped you grow?
Because you've done so much with your life
To have to settle for
A need to feel
A need to try
A need to feel whole
Do you feel whole?

Maybe we'll see this through
If we get it together
Maybe I'll get to you
If you get it together

Take off your make up honey
Why don't you ever listen
I've got something I need to know
Cause I tried
Tried to forget your past crimes
But were you ever just mine
Was there something that I didn't show?

Because you've done so much with your life
To have to settle for
A need to feel
A need to try
A need to feel whole
Do you feel whole?

Maybe we'll see this through
If we get it together
Maybe I'll get to you
If you get it together

Go. Try.
Try to make yourself right
Go. Try.
To make this right

And move on with your life

Go. Try.

Try to make yourself right

Go. Try.

To make this right

And move on with your life
