I can't believe anything
Every year it's the same
Chew me up
Spit me out again

Oh, I've seen it all
Winter, summer, fall
I love you with my eyes
What's your name

I can't believe how I'm living
Lost in Manhattan
I don't know where to go
There's nowhere left to go, anymore

I can't believe anything
Every year it's the same
Chew me up
Spit me out again

Oh, I've seen it all
Winter, summer, fall
Love you with my eyes
What's your name

I can't believe how I'm living
Lost in Manhattan
I don't know where to go
There's nowhere left to go
Nowhere left to go

I can't believe how I'm living
Lost in Manhattan
