I'm still waiting for the news dad  
That she's gone and never coming back  
I can't go on because the strength I had is gone  
And I find it hard to get out of bed

Oh yeah, don't you know it's true son  
You could never know someone  
Even though we sleep together we're alone  
And I find it hard to get out of bed

And we operate but  
I still feel alone  
And I can't complain cause  
She's so beautiful  
Yes we all have made mistakes

I'm still waiting for the news dad  
That she's gone and never coming back  
I can't go on because the strength I had is gone  
And I find it hard to get out of bed

And we operate but  
I still feel alone  
And I can't complain cause  
She's so beautiful  
Yes we all have made mistakes

I'm still waiting for the news dad  
That she's gone and never coming back  
Oh yeah, don't you know it's true son  
You could never know someone

Even though we sleep together we're alone (sleep  
together we're alone)  
And even though we sleep together we're alone (sleep  
together we're alone)  
And even though we sleep together we're alone (let me  
be alone, we have made mistakes)

And I find it hard to get out of bed
