Scrams, set the detonators
Yo Cage, we gon wait for your signal

Got the blunder bus? Get it straight into the section
and go straight to the broadcast booth

Yo man, don't even worry about that hold up I'll be with
you in a second

I'm just gonna, uhhm, take these shrooms real quick

[Camu Tao]

Yo, yo, ayyo
And I see my niggaz out hollarin "Where them girls at!"
They started picturing dollars and get them girls back
Yo, where did they go?

[EI-P]

To the VMA show
On the telly-o
Pirates of the circus city metal show
At every flow
To work absurd word nervous
Stumbling pissy shitty liquor's in me dizzy very slow
Bumpin in Cali-o

[Camu Tao]

Oh no
Spit on her back and have Scrams stumble in and spill
a drink on her lap
I'm on the main floor with Pink smacking that ass (ahh!)
While Moby's in the rear givin P-Diddy a lap dance
Welcome to the scam order my dudes up
We +fuckin up cherub+ and piss on seats to his tour
bus!

[EI-P]

C'mon dawg, runnin amock will waste my lazerface
Before the mushrooms take I'm tryna hear the sound
my taser makes

Hop off the bus rubber ducky tape clutch
feelin touched
waiting for the signal from Cage to rush... more

[Camu Tao]
We can't rely on that though we smokin dust moves

[EI-P]
Please I got the schematics of the building on brain
Bought 'em off disgruntled janitors lookin to make a
change
So fame turns to flames tonight... YAYY!

[Camu Tao]
Yo, trying to fuck up the bars Smokin cigars And
breaking glasses
These stars thinkin ghetto and starts to change his
accent
Yo, yo dawg, kid rock thinks he's classic
He's plastic got a two-way for Vast to kick his ass kid

[EI-P]
Vordul Megala's actin regular
Trying to distract rapper's in back
While we're slip it is a rabid pack of predators

I had schematics memorized but all I'm think about's

And for any sick witted, see if you can murk with her

And I will place it in a stroller get some milk on my lips

[Camu Tao]
