Underworld---8 ball

Today
Today
I saw a man
Today
I saw a man
Using an empty whiskey flask as a walkie talkie

Today
Today
I saw a man
Today
I saw a man
With a flaming eight ball tattood on his arm

Today

Today
Today
I saw a man
Today
I saw a man
Using an empty whiskey flask as a walkie talkie

Today
I met a man who threw his arms around me
And Ive given
And Ive given
Today
Today
Today
Today
Today
Today
We laughed
We laughed
Waiting for a train
For a few
Into the city
Seconds

Today
That white stuff
That white stuff
Waiting for the train
That stuff
Into the city
That's what makes me feel
Today
Feel
Feel
Today
Feel happy
