If they don't know and they don't know they're gonna  
find out soon enough.  
I'm so hot. as if that hurt. did you wash it. fester it  
around some.  
You don't even have to mind your own stuff. bring in  
the marines.  
I've heard so many other things and it was all brown.  
with the suction ones.  
The ones that suck it up. and i don't ever do the eye till i  
did that thing.  
I bet you like a blue boost. try a noose.  
Loosen the strap where the two metal ends. rest your  
head against the steel.  
Blow in to the tube. show me your legs. help me. show  
me a pink smile.  
Walking up the aisle. show me the things underneath  
your seat.  
Show me your tiny plastic soft drink. a song like a  
squealing pig.  
Like a train with wheels. in the dark with the lights off.  
concealed.  
I'm thinking of you still.

::

White room. little legend. fishman. nike man. red stripe.  
blue mercedes.  
Big dog. salty man. full moon rising. old boy. salty girl.  
bunny girl.  
Happy shopper. bouncing ball. city sun. think i found  
the real stuff.  
I think i found the real stuff. white crumbs across your  
bed.  
Gray clouds cover bethnal green. white jeans. black  
top. nice shape.  
Cracks a blue bitch till the son come sliding. naked  
beneath the knee.  
Reflect black eyes. your knee talking. i think i found the  
real stuff.  
I think i found the real stuff.
