Thirty thousand feet above
Beautiful thing
Beautiful thing

Mmm skyscraper I love you
Thirty thousand feet above the earth...its a beautiful
thing
Youre a beautiful thing
Thirty thousand feet above the earth...its a beautiful
thing
Everybodys a beautiful thing
Mmm skyscraper I love you
Mmm skyscraper I love you
And I see elvis
Elvis

I see porn dogs sniffing the wind
Sniffing the wind for something new
Porn dogs sniffing the wind for something violent they
can do
Porn dogs sniffing the wind
Sniffing the wind for something new
Porn dogs sniffing the wind for something violent for
me and you
Will you be my big plaything
My total big disorientator
Will you be my big plaything
My ninja power
My number cruncher

Yes yes yes no yes yes
Yes yes yes yes no no

And I see elvis
And I hear God on the phone
Mmm skyscraper I love you
I see porn dogs sniffing the wind
Sniffing the wind for something new
Porn dogs sniffing the wind for something violent that
they could do
Porn dogs sniffing the wind

Sniffing the wind for something new
Porn dogs sniffing the wind for something violent for
me and you

The city is a whore tonight
And I see God talking
Elvis
God talking
Pornfest pork fat jesus christ night light
Elvis fresh meat and a little whipped cream
Pornfast cornfat jesus christ night ride
Elvis fresh meat and a little whipped cream
Thirty thousand feet above the earth
Thirty thousand feet above the earth
Beautiful thing
Youre a beautiful thing
Thirty thousand feet above
The beautiful earth
Mmm skyscraper I love you
Like I feel you
