I know that looks is so deceicing
oh but thats my love hurts is so revealing
shes a stranger to my eyes
no fancy make up, no disguise
yet she please up me so
should i let her know

i wonder if i should ask her out tonight
and shes really out of sight
oh and this certain feeling that i get from her
oh it causes such a sturr
shes a stranger to my eyes
no fancy make up, no disguise
yet she please up me so
should i let her know

ohh everytime i want to move
i just can seem to move oh no oh no
observing helpful manage really sets me in the groove
(just with you)

could she be the rightful one for me
or should i let her be
being single and free
shes a stranger to my eyes
no fancy make up, no disguise
yet she please up me so
should i let her know oohh

my desire dont need to prove
shes gotten me in a trance i cant seem to move oh no
oh no
observing helpful manage really sets me in the groove
(just with you)

(2x)
shes a stranger to my eyes
no fancy make up, no disguise
yet she please up me so
should i let her know oohh
shes a stranger
