I feel force of strong wind  
And soak up each spark of fire,  
I Charm full bright moon  
And see a power of thunder

[CHORUS:]

There are a lot of worms around  
They are blind and defenceless  
Worms crawl to your life  
And monotony will set in your mind  
Can you break it out?  
Break worms' stereotypes!  
Why do you stand aside?

I see a poison of identical worms  
The poison are they Gods  
Bible is your obituary!  
Irony of hate! It's your cemetery!

[REPEAT CHORUS]

[POSTCHORUS:]

Worms are under our legs  
Slowly rot from birth to the death  
You don't deserve to live  
If you're one of them.
