Raindrops falling on the window pane
A new skyline greets the day
The bad day has gone
The good day can come
No more sorrow and pain
The illusion to hold her hand
The delusion to kiss her mouth
Was destroyed on a sweet rainy day
Was destroyed by the act of love

My bride has gone, my bride has gone
I know she was the one
My apology my denial, no time to cry
My bride has gone, she has gone

On this sweet rainy day

No breath
No heartbeat
Cold eyes
And no pain

Thousand eyes of the forest look at me
Their testimony is dump
The dirt covers her skin the dirt deformed her beauty
No more memories of pain
The dream to own her
The dream to be her man
Was destroyed on a sweet rainy day
Was destroyed by the act of love

My bride has gone, my bride has gone
I know she was the one
My apology my denial, no time to cry
My bride has gone, she has gone

On this sweet rainy day

Deep in earth abandoned Love
And the memories come by
I have been here before
Maybe I will come back tonight

My bride has gone...
