IÂ´ve wished it a thousand times
IÂ´ve been all that you want
IÂ´ve seen things through your eyes
Distinguished right from wrong

You caress me tell me that you love me like a storm
Words are tender but theyÂ´ll never substitute a heart
gone wrong

Let me crawl inside your skin
I promise you wonÂ´t feel a thing
Let me crawl inside your skin
I'll be your courage, flesh and blood
IÂ´ll love you from within

YouÂ´ve taken my body and soul
I give you what you need
If one of us has to go
I hope it can be me

A pointed promise fills my head with shades of winter
days
The seeds of doubt will find me out and tip their hat to
something strange

Let me crawl inside your skin
I promise you wonÂ´t feel a thing
Let me crawl inside your skin
I'll be your courage, flesh and blood
IÂ´ll love you from within

Let me crawl inside your skin
I promise you wonÂ´t feel a thing
Let me crawl inside your skin
I'll be your courage, flesh and blood
IÂ´ll love you from within

Let me crawl inside your skin
I promise you wonÂ´t feel a thing
Let me crawl inside your skin
I'll be your courage, flesh and blood
IÂ´ll love you from within
