Come all of you who are thirsty (2x)
Come to well, drink from the river of life
Come all of you who are weary (2x)
Rest in his love, Safe in the arms of life

Chorus:Â
Only you completely satisfyÂ
Only you bring this heart of mine to life
In the shadow of your wings I find refuge, I find peace,
Only you completely satisfy

Come all you who are hungry (2x)
ComeÂ to the table, feast on the bread of life
Come all you are thirsty (2x)
Come to the well drink from the river of life

Chorus:

Every need in my life, you satisfyÂ
In every way you satisfy
Father we come we are thirsty (3x)
We are thirsty Lord

Chorus: (2x)
