No Other Name

Teach my eyes to recognize You

Teach my lips to glorify You

Guide my feet so I can find You

Wherever You are

Be my way, I'm lost without you

Be my light, shining through my every breath

My every move, till every thought is You

One day every knee will bow

To the

God of Glory, the Lord most Holy

Emmanuel

Giver of Life, Light of the world

And there's no other name

Worthy of praise but Yours

Teach my eyes to recognize You

Teach my lips to glorify You

Guide my feet so I can find You

Wherever You are

One day every knee will bow

And one day every tongue will confess

You're the

God of Glory, the Lord most Holy

Emmanuel

Giver of Life, Light of the world

There's no other name

Worthy of praise but Yours

Jesus, there's no other name but Yours

Jesus

You're the

God of Glory, the Lord most Holy

Emmanuel

God of Glory, the Lord most Holy

Emmanuel

Giver of Life, Light of the world

And there's no other name

Worthy of praise, oh there's no other name

Worthy of praise but Yours
There's no other name but Yours
