We shine, we shine, with the light of god
And when we speak, we speak with words of love
And when we dance, we may get a little wild
Cause we're the people of god, yeah, the people of
god

When we sing, we sing, the angels' songs
The ones they're singing around the throne
We worship the king with everything that we are
Cause we're the people of god, yeah, the people of
god

Now is the time for the people to rise
Lift up a shout, everybody cry out
Raise your voice, shout out a noise
Dance a dance of joy

We are the redeemed
We are the ones who are free
And we belong to Jesus
We are now alive
And in this world we will shine
We belong to Jesus

Where the spirit of god is freedom reigns
So come on, come on throw off your prison chains
We're liberated by a king only freedom remains
For the people of god, yeah, the people of god

We're living in a kingdom that will never end
Living in the power that defeated sin
So come on everybody let your praise begin
Cause Jesus is alive and he's coming again

Now is the time for the people to rise
Lift up a shout, everybody cry out
Raise your voice, shout out a noise
And dance a dance of joy

We are the redeemed
We are the ones who are free
And we belong to Jesus

We are now alive
And in this world we will shine
We belong to Jesus

We're going into all the world
Carrying the light of Jesus
And we shine, we shine
In the darkest place we shine

We're going into all the world
Carrying the light of Jesus
And we shine, we shine
In the darkest place we shine

Now is the time for the people to rise
Lift up a shout, everybody cry out
Raise your voice, shout out a noise
And dance a dance of joy

We are the redeemed
We are the ones who are free
And we belong to Jesus
We are now alive
And in this world we will shine
We belong to Jesus

We are the redeemed
We are the ones who are free
And we belong to Jesus
We are now alive
And in this world we will shine
We belong to Jesus
